**Subject:** Jones Field Parking- Selectmen Approval

Steve,

As anticipated, the rental of parking spaces at Jones Field to commuters has had a surge of interest since posting the School Street Fire Station for Acton Residents only. There are only 2 spaces out of 36 that are presently unrented. The Selectmen have approved the parking plan at this location until June 30, 2008. The program has been operating for two years now with very few problems. I request the Selectmen consider extending the program for an indefinite time period with periodic reviews as required. If this is not possible I request the Selectmen extend the program for one year until June 30, 2009. We rent the spaces for a 3 month minimum time period so it would be prudent to have the extension approved as soon as it can be placed on the agenda. I do not anticipate that it will be a controversial item.

Bruce
